

Tame Valley Academy – Sports Premium 2019-2020

Intent Statement

The intent of our PE curriculum at Tame Valley Academy is to deliver a curriculum that is accessible to all. We believe PE and sports contribute to our pupils' wellbeing and social development, working together co-operatively and as part of a team, but most importantly to their physical development. It is our belief that the skills they acquire in primary school should be skills for life and we endeavour to develop a love of sports throughout the children's time in our school.

PE develops a child's knowledge, skill and understanding, so that they can perform with increasing confidence in a range of various activities. We offer a varied curriculum at Tame Valley to help promote this with activities including: football, netball, cricket, tennis, hockey, swimming, water safety. We understand the importance of keeping healthy and ensure this is instilled in the children. Children are taught to think, select and apply skills that promote positive healthy attitudes, well-being and lives. At Tame Valley, sports play an important role in the curriculum and we encourage all our pupils to participate in a variety of sports. Through our PE curriculum children have the opportunity to experience and gain skills in individual and team sports. Through our learning community we participate in swimming, football, netball, golf, multi skills, athletics and cricket tournaments as well as sport festivals. During this academic year there will be a gymnastic performance and work shop by a member of Team GB, visits to the University of Wolverhampton to compete in tournaments and to watch the British Judo Championship as well as visits to Aston Villa FC academy and stadium and the School Games competitions. We will hold a successful Sports Day during the summer term.

Sports Premium allocation

The below table displays the Primary PE and Sports Premium allocation for Tame Valley Academy for the academic year 2019-2020. This plan will be reviewed termly to input further strategies and impacts the premium has made.

The total amount allocated to Tame Valley for this period is £17,760.

The total spend is £20,676.50.

An additional £2,916.50 has been allocated from pupil premium funding to subsidise this sports plan for 2019-20.

The following areas are stipulated by the Government as areas to include:

PE and Sports Lead: Alison Whittington

- An increased participation in sport
- An increase in the variety of experiences and activities offered
- An increase in all staffs knowledge, confidence and skills in delivering PE
- The profile of PE and sport to be raised across the whole school to increase attainment and whole school improvement
- A greater participation of children in physical activities - to include healthy eating and activity clubs.
