

GREENHEART

OUR SCHOOL VISION

At Tame Valley Academy, we believe in nurturing our students in a way that empowers them to thrive in all aspects of life. Our vision encompasses the principles of Being, where each child is encouraged to embrace their unique identity; Becoming, as they grow into well-rounded individuals; and Belonging, fostering a sense of community and inclusivity.

Our children are at the heart of everything we do, and we strive to equip them with the skills and mindset needed to succeed. We aim for them to be confident in their abilities, express their creativity, lead active lifestyles, achieve success in all their endeavours, and stay well-informed about the world around them.

Central to our ethos are our core values: Respect, Responsibility, Cooperation, Resilience, and Perseverance. We instil these values in our students, guiding them to become responsible citizens who contribute positively to society.

We are dedicated to delivering a tailored curriculum that goes beyond the national standards, ensuring each child receives an education that meets their unique needs and aspirations. Our school serves as a beacon in the community, fostering strong partnerships and playing an integral role in the lives of our students and their families.

Together, we are committed to shaping a future where our students are equipped with the skills, knowledge, and values to thrive in an ever-changing world.
